

Questions and Requests from Thursday, October 25, 2007:

- How to weight the cost alternatives in BDCP?
- How much old bond money is left?
- Provide a summary of the Rancanalli decision.
- Requested of AG's office: a list of statutory actions that that can respond to things listed in the memo about flexibility regarding water rights. This would be included in 2008 strategic plan.
- AG's office will provide follow-up to John Kirlin regarding the Susquehanna River constraint on federal actions (similar to CMZA).

Concepts (more to be added)

- Getting a potential 2 MAF of water from conservation does not mean that Delta exports can be reduced by the same amount.
